Last Updated: August 22, 2025

<https://www.inemea.org> is committed to ensuring digital accessibility for all users, including people with disabilities. We are continually improving the user experience for everyone and applying the relevant accessibility standards.

Measures to support accessibility

We take the following measures to ensure accessibility of our website:

- Regular monitoring and updates to improve accessibility features.
- Use of alt text for images and descriptive links.
- Consistent heading structure for screen readers.
- Keyboard navigation support.

Keyboard Navigation Instructions

Our website can be navigated without a mouse by using the keyboard. The following key commands are supported:

- Tab – Move forward through interactive elements (links, buttons, form fields).
- Shift + Tab – Move backward through interactive elements.
- Enter – Activate a selected link or button.
- Spacebar – Activate buttons, checkboxes, or pause/play video content.
- Arrow Keys – Scroll the page or navigate within dropdown menus, sliders, and some widgets.
- Esc – Close pop-up dialogs or menus.
- Alt + [Access Key] (Windows) / Control + Option + [Access Key] (Mac) – Navigate directly to certain areas of the site (if defined).

We aim to make all interactive components fully operable using these keyboard shortcuts.

Conformance status

Our goal is to conform with the [Web Content Accessibility Guidelines \(WCAG\) 2.1](#) Level AA. These guidelines explain how to make web content more accessible for people with a wide range of disabilities.

Feedback

We welcome your feedback on the accessibility of our website.

If you encounter accessibility barriers, please contact us:

Email: info.inemea.group@gmail.com

Compatibility with browsers and assistive technology

Our website is designed to be compatible with:

- The latest versions of major browsers (Chrome, Firefox, Safari, Edge).
- Screen readers and assistive technologies.

Limitations and alternatives

Despite our efforts to make all content fully accessible, some limitations may still exist. If you experience any difficulty, please contact us and we will provide alternatives.
